Permanent Select Committee on Intelligence  
House of Representatives  
Washington, D.C. 20515

Dear Tom:

Enclosed are the details I promised you on our Minority Undergraduate Program. In addition to their work assignments, we are trying to arrange exposure to interesting people outside the CIA. We in OCA thought Chairman Stokes would be someone worthwhile for them to meet. The flip side of the coin is that this would give the Chairman the opportunity to meet some real sharp undergraduates who have an interest in intelligence.

If Chairman Stokes agrees to participate, it might be easiest if Sharon and Michelle [redacted] firm up the arrangements.

Thanks, Tom, for trying to help us with this worthwhile program. [redacted]
